.....APPROVAL..... OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the manner of use and place of use of the waters of Hunter Springs as heretofore granted under Permit No. 7083 is issued subject to the terms and conditions imposed in said Permit No. 7083 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a weir or other type of measuring device at or near the well to facilitate the measurement and control of the water. If well is flowing, a valve must be installed and maintained to prevent waste. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed.....0.0466.....cubic feet per second or sufficient to water.....5000 sheep and 500 cattle.

Actual construction work shall begin on or before.....October 17, 1970

Proof of commencement of work shall be filed before.....November 17, 1970

Work must be prosecuted with reasonable diligence and be completed on or before.....October 17, 1971

Proof of completion of work shall be filed before.....November 17, 1971

Application of water to beneficial use shall be made on or before.....October 17, 1973

Proof of the application of water to beneficial use shall be filed on or before.....November 17, 1973

Map in support of proof of beneficial use shall be filed on or before.....

Commencement of work filed.....NOV 25 1970
Completion of work filed.....NOV 25 1970
Proof of beneficial use filed.....NOV 26 1973
Cultural map filed.....
